FREE FAMILY LEISURE ACTIVITIES

Dear Parent/Carer

On Tuesday the 22nd of December, we will be having a FREE leisure activities day at **Kendal Leisure Centre** with free family swim sessions in the morning from 10am until 12 noon followed by free dry activities in the afternoon from 1pm until 3pm, which will include Football, Volleyball and Boccia.

Although these are 'family activities', any pupil or student capable of accessing independently may do so.

The centres café will be open for you to purchase food, eat your own packed lunch or just relax between sessions.

Places are limited, so if you would like to book your place on the activities, I would be most grateful if you could complete and return the attached form to school by the 10th of December.

Please do not hesitate in contacting me at school if I can be of any further help.

Kind regards

Richard Westwell
Extended Services Coordinator
