## **FREE FAMILY CIRCUS SKILLS SESSIONS**

Dear Parent/Carer

On Monday the 21st of December, **Kevin's Community Circus** will be running **FREE Circus Skill Sessions** at Kendal Leisure Centre.

The equipment is introduced with a 'Learn and Laugh' show, then it's on to activities which include tightrope walking (thick rope - low to ground), novelty bikes (mini penny farthings, minibikes etc), stilts, didicars, assorted hold-on pedal-walkers, rebound rollers, balance beams, trampolines, juggling balls, spinning plates and peacock feathers. Budding young magicians get the chance to learn a few tricks!

Although this is a 'family activity', any pupil or student capable of accessing independently may do so.

Places are limited, so if you would like to book your place, I would be most grateful if you could complete and return the attached form to school by the 10th of December, stating which session you would like to attend.

Please do not hesitate in contacting me at school if I can be of any further help.

Kind regards

Richard Westwell  
 Extended Services Coordinator
