TRAINED DYSLEXIA TUTORS AVAILABLE FOR PRIVATE TUITION

We wish to maintain our list of local tutors (qualified teachers and TAs) who may be able to take on students looking for private tuition. We do not recommend individuals but pass on agreed contact details. You will be able to use SCUDA resources and teach at Stricklandgate House if you wish. In return we ask for a 20% contribution of the teaching fee per lesson. If we introduce you to a pupil we ask for a small one off introductory fee.

If you would like to be included on the list please complete the following details and send the form to the above address.
